PROFESSIONAL EXPERIENCE

Software Engineer – Testing | Exathought Technology Consulting Pvt Ltd

Aug 2024 – Present | Bangalore, India

ExaGenAI – Web Automation & Manual Testing

- Authored comprehensive manual test cases covering functional, performance, and UI aspects of a production **GenAI web application**.
- Engineered a **Selenium WebDriver (Java)** automation suite using **Page Object Model (POM)** architecture, improving test coverage and reusability across sprint cycles.
- Identified and logged **60+ defects** across UI, performance, and functionality layers, directly contributing to improved product stability.
- Managed full defect lifecycle and sprint task tracking via **ClickUp** in an **Agile Scrum** environment — planning, standups, and retrospectives.

IIFL Browser Extension – Manual & Automation Testing

- Tested a **browser extension** automating IIFL client onboarding — designed test cases covering **cross-browser compatibility** (Chrome, Firefox, Edge), functional flows, edge cases, and **regression scenarios**.

Evart Mobile App – Mobile Automation Testing

- Executed end-to-end **Appium (Java)** mobile automation for an Android e-commerce app covering product browsing, cart management, checkout, and payment flows on **Android**.

TVS Connect App – Bluetooth Simulation Automation POC

- Built a **Bluetooth simulation POC** using **Python/Bluez** as server emulator with TVS Connect as client — validated wireless device pairing, data exchange, and connectivity without physical hardware dependency.

Arize Phoenix – AI/LLM Observability & Evaluation

- Configured **Arize Phoenix** LLM evaluators to benchmark **GenAI responses** against custom quality, relevance, and safety metrics — identified hallucination patterns to guide model improvements.

Graduate Engineer Trainee | Balaji Consultants, Pune

Dec 2022 – Sep 2023 | 10 Months

- Supported project delivery and client requirements in a consulting environment; gained grounding in **SDLC** processes and documentation practices.

Sales Officer | Smartcredit India Finance Limited, Tiruchirappalli

Jun 2022 – Nov 2022 | 6 Months

- Managed client acquisition and financial product sales; developed strong **communication**, negotiation, and **stakeholder management** skills.
